2014 Intellectual Property Award Winners Announced

United Kingdom – 8 July 2014 – Winners of the prestigious 2014 Acquisition International Magazine Intellectual Property Awards have been announced today.

Voted for by a worldwide network of professionals, advisers, clients, peers and business insiders, the Acquisition International Magazine Intellectual Property Awards celebrate the individuals and firms who are involved in driving the intellectual property field – lawyers, agents, consultants, advisers and service providers – and thus playing a vital role in advancing innovation.

The awards, open to businesses from any sector or region, are given entirely on merit, acknowledging fantastic achievement over the course of the past year. Winners are nominated and voted for by their peers and clients.

Speaking about the awards, awards coordinator, Charlotte Abbott said: “We’re honoured to recognise some of the most committed individuals and firms working in intellectual property today. The winners can be proud of the important work they have been doing over the past year.”

To find out exactly which businesses have excelled in intellectual property this year, visit the AI website (www.acquisition-intl.com) where you can access the winners’ supplement.

About Acquisition International Magazine

Acquisition International is a monthly magazine brought to you by AI Global Media Ltd, a publishing house that has reinvigorated corporate finance news and reporting. As an editorially driven magazine, its topical news articles make it a highly enjoyable read, and this readability ensures that advertisers will benefit greatly from their investment.

AI works alongside leading industry analysts to ensure we publish the most up to date figures and analysis. Acquisition International has a global circulation, which brings together all parties involved in deal making and in an increasingly global deal market we are uniquely positioned to reach the deal makers that matter. We communicate to our readers not just through the magazine but also through a number of alliances.
